

The background of the image is a dark, monochromatic illustration of a city in ruins. Thick, dark smoke billows from the ground, partially obscuring the silhouettes of tall buildings. In the lower-left foreground, there is a bright, orange-red fire or explosion. The overall atmosphere is one of destruction and despair.

A comic book panel showing two women running through a dark, industrial-looking hallway. The woman on the left has long black hair and is wearing a black and white outfit. The woman on the right has short blonde hair, wears a black beret, a black dress with a green cat emblem, and black gloves. A speech bubble from the blonde woman contains the text above.

ON TOP OF THAT,
LIGHTENING TOOK MOST
OF THE UNDERCORES
WITH HIM.

A comic book panel showing a close-up of the lower legs and feet of the two women as they run. They are wearing black thigh-high stockings and black shoes. A speech bubble from the blonde woman contains the text above.

A comic panel with a dark, moody background. On the right, a character with blonde hair, wearing a black beret, a black sleeveless dress, and black gloves, is shown in profile, looking towards the left. On the left, the back of another character is visible, wearing a light-colored, possibly white, garment. Two speech bubbles are present: one from the character on the right and one from the character on the left.
